Our Mission

The mission of the Brain Injury Association of Kentucky (BIAK) is to improve the lives of those affected by brain injury through advocacy, education, prevention, research, services and support. Staff in Louisville, Lexington and Bowling Green are assisted by volunteers throughout the state to carry out BIAK's mission in Kentucky.

Travel Directions

From I-64 - Take I-64 to Exit 12A Watterson Expressway/264 West. Exit I-264 at the next exit, Breckenridge Lane North, Exit 18B. Turn North off the exit ramp onto Breckenridge Lane. Proceed North through the traffic lights at Dutchman's Lane and Dupont Road (W. W. Cousin's on right). Turn right at the third traffic light onto Kresge Way. The hospital's main entrance will be on your right.

From I-264 Watterson Expressway - Take I-264, the Watterson Expressway, to Breckenridge Lane North, Exit 18B. Turn North off the exit ramp onto Breckenridge Lane. Proceed North through the traffic lights at Dutchman's Lane and Dupont Road (W. W. Cousin's on right). Turn right at the third traffic light onto Kresge Way. The hospital's main entrance will be on your right.

Turn right at the third traffic light onto Kresge Way. The hospital's main entrance will be on your right.

We Invite You

The Brain Injury Association of Kentucky (BIAK) invites professionals, support staff, family members and others interested in brain injury to learn about co-occurring disorders associated with brain injury.

Summit Objectives

Participants will be able to:

1. Understand the role co-occurring disorders plays in brain injury
2. Identify strategies for coping and living with the various side effects of brain injury.
3. Identify a variety of clinical and medical issues related to brain injury.

Summit Location

Baptist Hospital East
Education Center
4000 Kresge Way
Louisville, Kentucky 40207

Partial funding is made available through a grant from the Kentucky Cabinet for Health and Family Services and the US Department of Health and Human Resources' Health Resources and Services Administration under grant #H21MC06733.

20th Brain Injury Summit

Co-Occurring Disorders and Brain Injury

Friday, April 17, 2009
Baptist Hospital East
Louisville, Kentucky

Featuring Keynote Speakers
Adewale Troutman, MD, MPH, MA
Major General Edward Tonini, Adjunct General,
State of Kentucky

About Our Speakers

Adewale Troutman, MD, MPH, MA has had a distinguished record of achievement in public health education, leadership, research, and advocacy. He became the Director of Louisville Metro Public Health and Wellness in January 2004 and currently serves as an Associate Professor at the University of Louisville. Dr. Troutman holds an M.D. from the University of Medicine and Dentistry of New Jersey as well as an M.P.H. from the Columbia University School of Public Health and an M.A. in Black Studies from the State University of New York.

Dr. Troutman was instrumental in the passage of a smoke-free ordinance for restaurants and workplaces throughout Louisville; the establishment of the Center for the Elimination of Health Disparities; the Mayor’s Healthy Hometown Movement; and the implementation of the Take Charge Challenge, a worksite wellness program.

Major General Edward W. Tonini was appointed the 52nd Adjunct General of the Commonwealth of Kentucky in December 2007. As the Adjunct General, he serves as the Commanding General of both the Kentucky Army and Air National Guard and as Executive Director of the Department of Military Affairs. Prior to receiving his commission, General Tonini served as an enlisted member of the 123rd Tactical Reconnaissance Wing of the Kentucky Air National Guard.
